## Cedar Spa

Welcome to the Cedar Spa where you can renew your spirit and restore your mind. The Shoshone-Bannock culture is reflected in the spa's variety of treatments, which feature local ingredients. Natural river rock, rich wood and beautiful local plants surround you to bring you peace and tranquility for a complete escape.

Whether you choose a day spa package or decide to indulge in a luxurious facial, relaxing hot stone massage, or a calming manicure and pedicure, you will receive the most professional spa services in southeastern Idaho. The Cedar Spa also offers our sauna and aromatherapy inhalation room infused with a blend of local essential oils like Cedar Wood to smooth muscle aches and calm senses, and Clary Sage which has antidepressant properties. Our treatment rooms utilize the healing powers of heat and hot steam similar to the Lava Hot Springs still used by the Native Tribes today. Take a dip in our indoor heated pool and Jacuzzi.
